Certificate of Compliance Build America Buy American (BABA) Act

Dear valued customer,

This letter serves to confirm that all our products are proudly produced at our state-of-the-art manufacturing facility located in Rogersville, Missouri according to ASTM F2160 standards and meet the guidelines established under the Build America Buy American Act.

Additionally, all raw materials used to manufacture our HDPE conduit products have been sourced locally here in the USA.

Thank you for your support.

Sincerely,

A handwritten signature in black ink, appearing to read "Juergen Windbacher", is enclosed within a faint, dotted-line rectangular border.
